PURPOSE

As a Creative Director, I fuse storytelling, visual branding, and strategic insight to craft unforgettable experiences. My work reflects meticulous precision and artistic boldness, with a sharp eye for detail and a flair for glittery gold. From building brands like MyFishDoctor.com to shaping community-driven campaigns in my local area, I lead with creativity, clarity, and an entrepreneurial spirit.

QUICK INTRODUCTION

Tech Expert · Strategic Marketer

I am a visionary in the Virtual Office with deep expertise in computers, branding, and community-driven marketing. My skillset spans graphic design, digital storytelling, and data-powered strategy—supported by a mastery of productivity tools, design platforms, and web technologies. From launching MyFishDoctor.com to executing flyer drops and optimizing online visibility, I blend creative intuition with technical precision to drive impact. I thrive on crafting campaigns that amaze, connect, and convert—whether through visual storytelling or bold local engagement, I am an Expert Seo.

JOB RELATED SKILLS

- I am Qualified for this Position
- I Have the desire to work full time
- I have done this type of work before

Over the years, I've taken on a wide range of roles to maintain job stability, starting in fast food burger joints and advancing into grocery sales. I've worked through seasonal cycles—mowing lawns, handling golf course maintenance, and taking on construction, remodeling, and property management tasks. In between, I've served as a dishwasher, prep cook, and line cook—especially during Pensacola's busy tourist season. I also do freelance work, operating on a for-hire basis with no formal contract, which speaks to my reliability and adaptability. Seasonal employment has been common in my area, and I always show up ready to contribute. I accept responsibility, stay until the job is done, and take pride in being hardworking, trustworthy, and dependable.
